Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lust Games: An Essay on Honor, 58,000 words, an examination of power, honor, the will to conquer, to endure. Time, passion, bloodlessness; concepts of survival, integrity, victory, two lovers, a muse. Knowledge is good, understanding sublime. Honor is to be cherished, defined, fought for, worked through, taken as prize, as gift. Honor is to be handled, recognized, acted upon against all powers, all odds. Good and true becomes good and true. Power hungry bastards, cynical chiselers, low rent power plays, high rent power vacuums, parades of fools, saps, territorial battles in abundance. Lust driven temptresses, dream driven suckers, inherently weakened dunces run around for fun and profit. Worlds in flux, merciless masters, useless strivers, besotted clowns. Striving gnomes define their way. The guts of daily battle. The guts of blood and guts, blood and tears, sentiment, pretense. Life on the lam. The guts of the price of admission. Heathens more wonderful than words trip the light fantastic. Things good and true, right and sublime embrace the noble soul. Worldly playmates, worldly playgrounds, muddled motives bring stars to the party. Conflict, grace, achievement ride to the ends of time. A story of wit and romance, mystery and challenge. Cynical, tough, resplendent in awe. The hero. Wary, beauty of the night, femme fatale, too smooth for words; friend and confidant, charming creature, protagonist and antagonist. The heroine. Ecstasy and economy. Enemy and lover. A heathen s home, paradise lost. Whims wished, worlds in play, mothers milk. Honor; the wicked master. Time, the wicked mistress. Crippling legacies. Wrenched saviors. Redemption, a tough and unforgiving act. The fun in the journey. I offer you sleep at night, warmth in contemplation, dear...
