Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

GUARDED: A TIDEWATER NOVEL

Penguin Putnam Inc, United States, 2014. Paperback. Book Condition: New. 174 x 106 mm. Language: English . Brand New Book. She s given up on finding love. Veterinarian Shelley Morgan has always preferred animals to humans, and not simply because she can communicate with them psychically. Unlike most people she s known, animals have never broken her heart. But after six months in her new town, some of her favorite four-legged companions begin disappearing from the local zoo. Determined to track down the animals and their thief, the telepathic vet decides to investigate, unknowingly delving into a deadly mystery. He s ready to make her heart go wild. Although his bear-like physique has been an advantage in the Tidewater Police Department, Dev Jones s size often intimidates people. Only Shelley has seen past his massive build to the intelligent man inside, but that was years ago. So when she contacts him requesting his help to solve a series of animal kidnappings, he s eager to reconnect with her. But the thefts escalate to murder and all the evidence points to Shelley as the killer, and Dev faces a devastating choice: forsake his career or risk losing the woman he s grown to love.
