## THE CHURCH: TOWARDS A COMMON VISION

World Council of Churches (WCC Publications). Paperback. Book Condition: new. BRAND NEW, The Church: Towards a Common Vision, World Council of Churches, What can we say together about the Church of the Triune God in order to grow in communion, to struggle together for justice and peace in the world, and to overcome together our past and present divisions? This book proposes a remarkable answer to this question. Produced by theologians from the widest range of Christian traditions and cultures, The Church addresses first the Church's mission, unity, and its being in the Trinitarian life of God. It then addresses our growth in communion -- in apostolic faith, sacramental life, and ministry -- as churches called to live in and for the world.
