Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Museum of Natural History, With Introductory Essay on the Natural History of the Primeval World Several features distinguish this Work from others in which kindred topics are dealt with. The place in Biblical Literature which it seeks to occupy, is at present vacant. There is no single work existing which is devoted exclusively to the same subjects. British and foreign books of Eastern travel may be numbered by hundreds. Scattered throughout these, which are for the most part expensive, very many facts are to be met with which shed much light on those aspects of the sacred text now chiefly in view. Efforts have been made to render this information most truly useful, by embodying it in one work. Thus far the Author s task has been one of compilation. But this forms only a very subordinate characteristic of the Work. Great attention continues to be given, both in this country and America, to the relations between the Bible and Science. These are still discussed in highly influential quarters. The sounds of the warfare reach the intelligent classes in the community. They have not, however, any one work easily within reach, treating both of the causes and the bearings of those great controversies which will not fail to be waged with growing keenness as science advances. Though it would be unprofitable to dwell, in a controversial spirit, on the various theories of creation and of the natural history of man. which, during the last twenty years, have had great prominence given to them, yet an acquaintance with these must be valued by every lover of truth, and especially by all who receive the Bible...
