Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

Comprehensive, research-based, and straightforward, *Methods for Effective Teaching* provides K-12 teachers the help they need in every aspect of their day-to-day responsibilities, from planning and choosing the right instructional strategies to delivering lessons, managing the classroom, disciplining students, assessing progress, and collaborating with colleagues and parents. All of the content presented in this straightforward guide is aligned to professional standards, including the InTASC standards, and this new, up-to-date edition covers such contemporary issues as Common Core curriculum, 21st century skills, response to intervention (RTI), data-driven decision making, classroom contextual factors, bullying, problem-based strategies, and achievement tests. Strong coverage of both teacher-centered and student-centered strategies is provided and the authors address ways to differentiate instruction, promote student thinking, and actively engage students in learning. Included are approaches for teaching English language learners, an emphasis on culturally responsive teaching, and a variety of pedagogical features to accommodate different learning styles. The Enhanced Pearson eText features embedded video. Improve mastery and retention with the Enhanced Pearson eText* This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content.
